Tri-City Fitness is proud to offer a variety of programs for players of all ages and levels. No matter what you're looking for from a tennis facility, we are confident that you will find the perfect opportunity at our club. Our programs include:

Juniors:

Junior Academy – In group lessons, kids will be placed, by ability, with their peers and exposed to the basic mechanics and strategies of the game. This will be done through a combination of drills and games, with a constant emphasis on having fun.

Elite Program – These groups are designed for tournament level players. The focus is on more advanced techniques and strategies, as well as proper footwork, with the goal of developing players who are competitive at high levels.

Junior Shootout – Taking place on Saturday evenings, this walk-in program enables kids to play matches against their peers in an informal setting.

USTA and club tournaments – Tri-City is proud to host several tournaments throughout the year, which give local players the chance to test themselves against other players throughout the area.

Junior Ladder – Challenge your friends or have matches set up for you, and try to advance your way to the top of the ladder!

For more information on any of our junior programs, please contact Andy at andy@tricitytennis.com.

Adults:

Clinics – These group lessons are offered at various times throughout the day, as well as on weekends. Players will be grouped by ability, and will be challenged by our pros to take their game to the next level!

Shot of the Day – These drop-in clinics allow for players to work on specific strokes, with a different focus provided each time.

Aerobic Tennis – Combining the best of aerobics classes with playing tennis, these classes offer players a great workout on the tennis court!

Ladders and Leagues – many players want to schedule competitive matches with some flexibility on the times. We host an extensive singles ladder, as well as both singles and doubles leagues, so you'll be assured to get some good matches when your schedule permits.

Fitness Center – Our state of the art fitness center, as well as our certified trainers and the accompanying low-key atmosphere, are ideal for just about anyone's workout needs.

For more information on our adult programs or amenities, please contact Herb at 785-4311.
