

Experience what tennis can offer!

We are so lucky to have found Tri City Fitness. My daughter has been playing at Tri City for 2 years now and has loved every minute of it. She has taken group classes, private lessons, and attended summer camp at Tri City. There are enough classes and clinics for every level, adult or youth. Whether I am participating in an adult clinic or watching my daughter play, I always find the staff and pros welcoming, knowledgeable, and passionate about the sport and sharing it with others. They are all patient and genuinely care about improving each person's game and confidence level, while having fun at the same time.

Being a member of Tri-City Fitness has been rewarding in many ways. As a veteran, the club offers so much more than just tennis. The staff provides outstanding instruction and personally strives to see that each individual improves their game. The social interaction with other players and staff has been rewarding and really takes your mind off other areas of your life. This program will definitely help you both physically and mentally. When I'm on the court, all I want to do is focus on my game and how I can become a better tennis player.

Tri-City Fitness will be providing low cost tennis clinics for veterans and active-duty personnel, which are designed to give players the basic skills needed to enjoy the sport of a lifetime!

Players with little or no experience will be taught in a group environment, with a focus on learning basic techniques, rules, and strategies. Players are encouraged to continue their tennis development outside of these clinics by eventually joining leagues or other organized match play, or just to set up friendly competition on their own!

Clinics will run in 10 week sessions, on the following days/times:

Tuesdays 10:00-11:00 AM
January 7th - March 10th

Wednesdays 5:30-6:30 PM
January 8th - March 11th

To sign up, please fill out the registration form and either mail it in or drop it off at the club. **Please contact Billy (bctricity@gmail.com) or call him at Tri-City (518-785-4311) with any questions!**
